

THE SOCIAL DETERMINANTS OF MENTAL HEALTH

Ruth S. Shim, MD, MPH

Luke & Grace Kim Professor in Cultural Psychiatry
Associate Dean of Diverse and Inclusive Education
University of California, Davis School of Medicine

LEARNING OBJECTIVES

- 1 | Define key concepts associated with the social determinants of mental health
- 2 | Evaluate the evidence on how social determinants of mental health lead to poor mental health outcomes and mental health inequities
- 3 | Identify solutions to address the social determinants of mental health

THE SOCIAL DETERMINANTS OF MENTAL HEALTH

The **societal, environmental, and economic conditions** that impact and affect mental health outcomes across various populations

These conditions are **shaped by the distribution of money, power, and resources** at global, national, and local levels, which are themselves influenced by policy choices

The social determinants of health are **prominently responsible for health disparities and inequities** seen within and among populations

HEALTH DISPARITIES:

DIFFERENCES IN HEALTH STATUS AMONG DISTINCT SEGMENTS OF THE POPULATION INCLUDING DIFFERENCES THAT OCCUR BY GENDER, RACE OR ETHNICITY, EDUCATION OR INCOME, DISABILITY, OR LIVING IN VARIOUS GEOGRAPHIC LOCALITIES

HEALTH INEQUITIES:

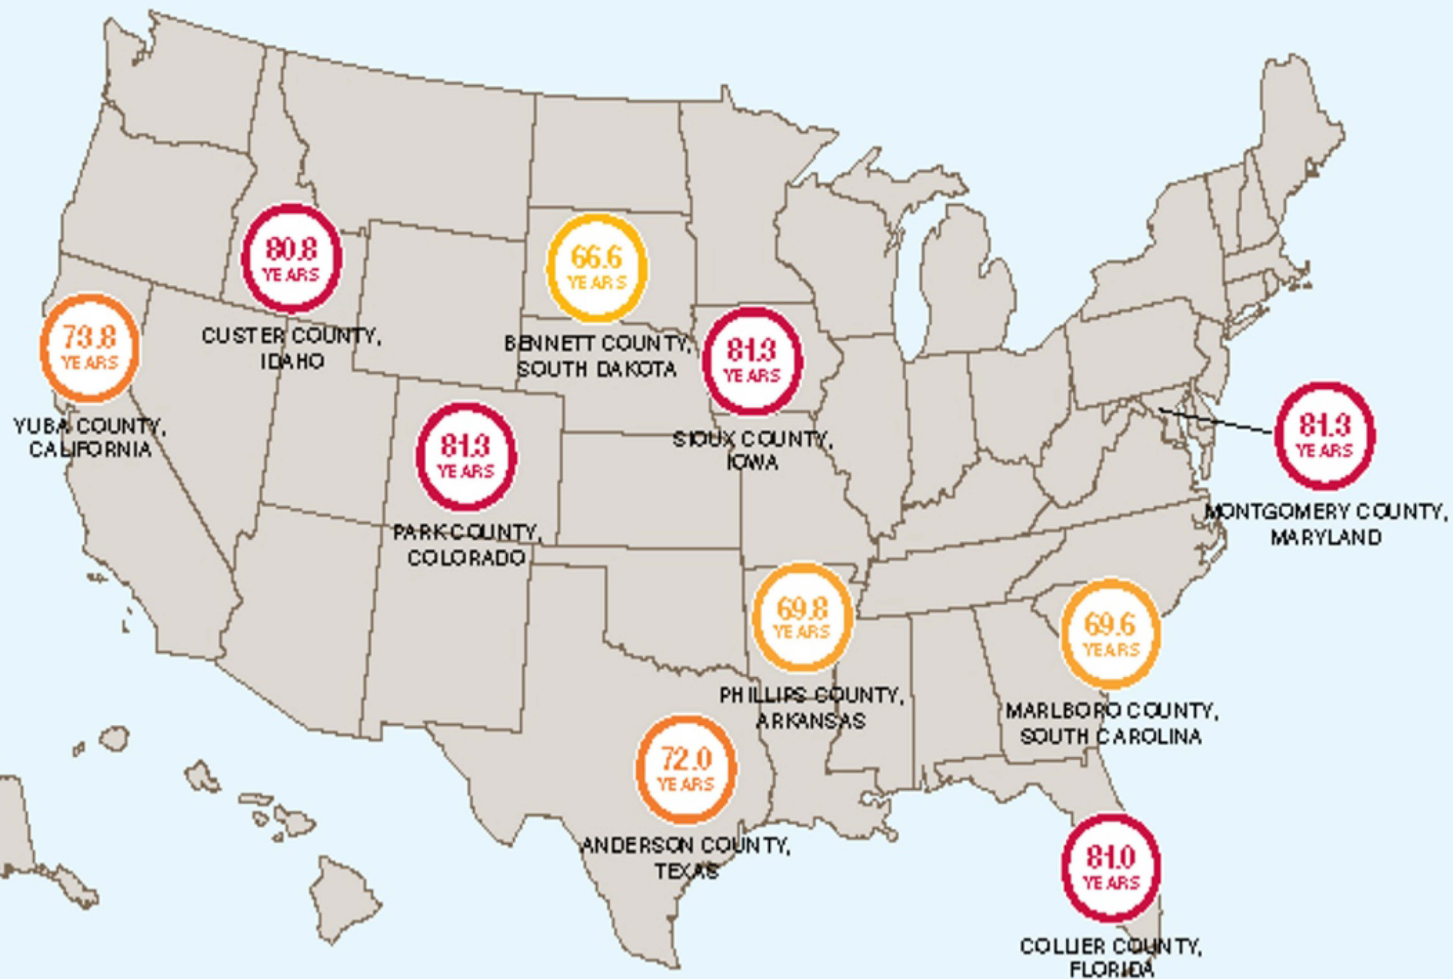

**DISPARITIES IN HEALTH THAT ARE A RESULT OF
SYSTEMIC, AVOIDABLE, AND UNJUST SOCIAL
AND ECONOMIC POLICIES AND PRACTICES
THAT CREATE BARRIERS TO OPPORTUNITY**

Average Life Expectancy

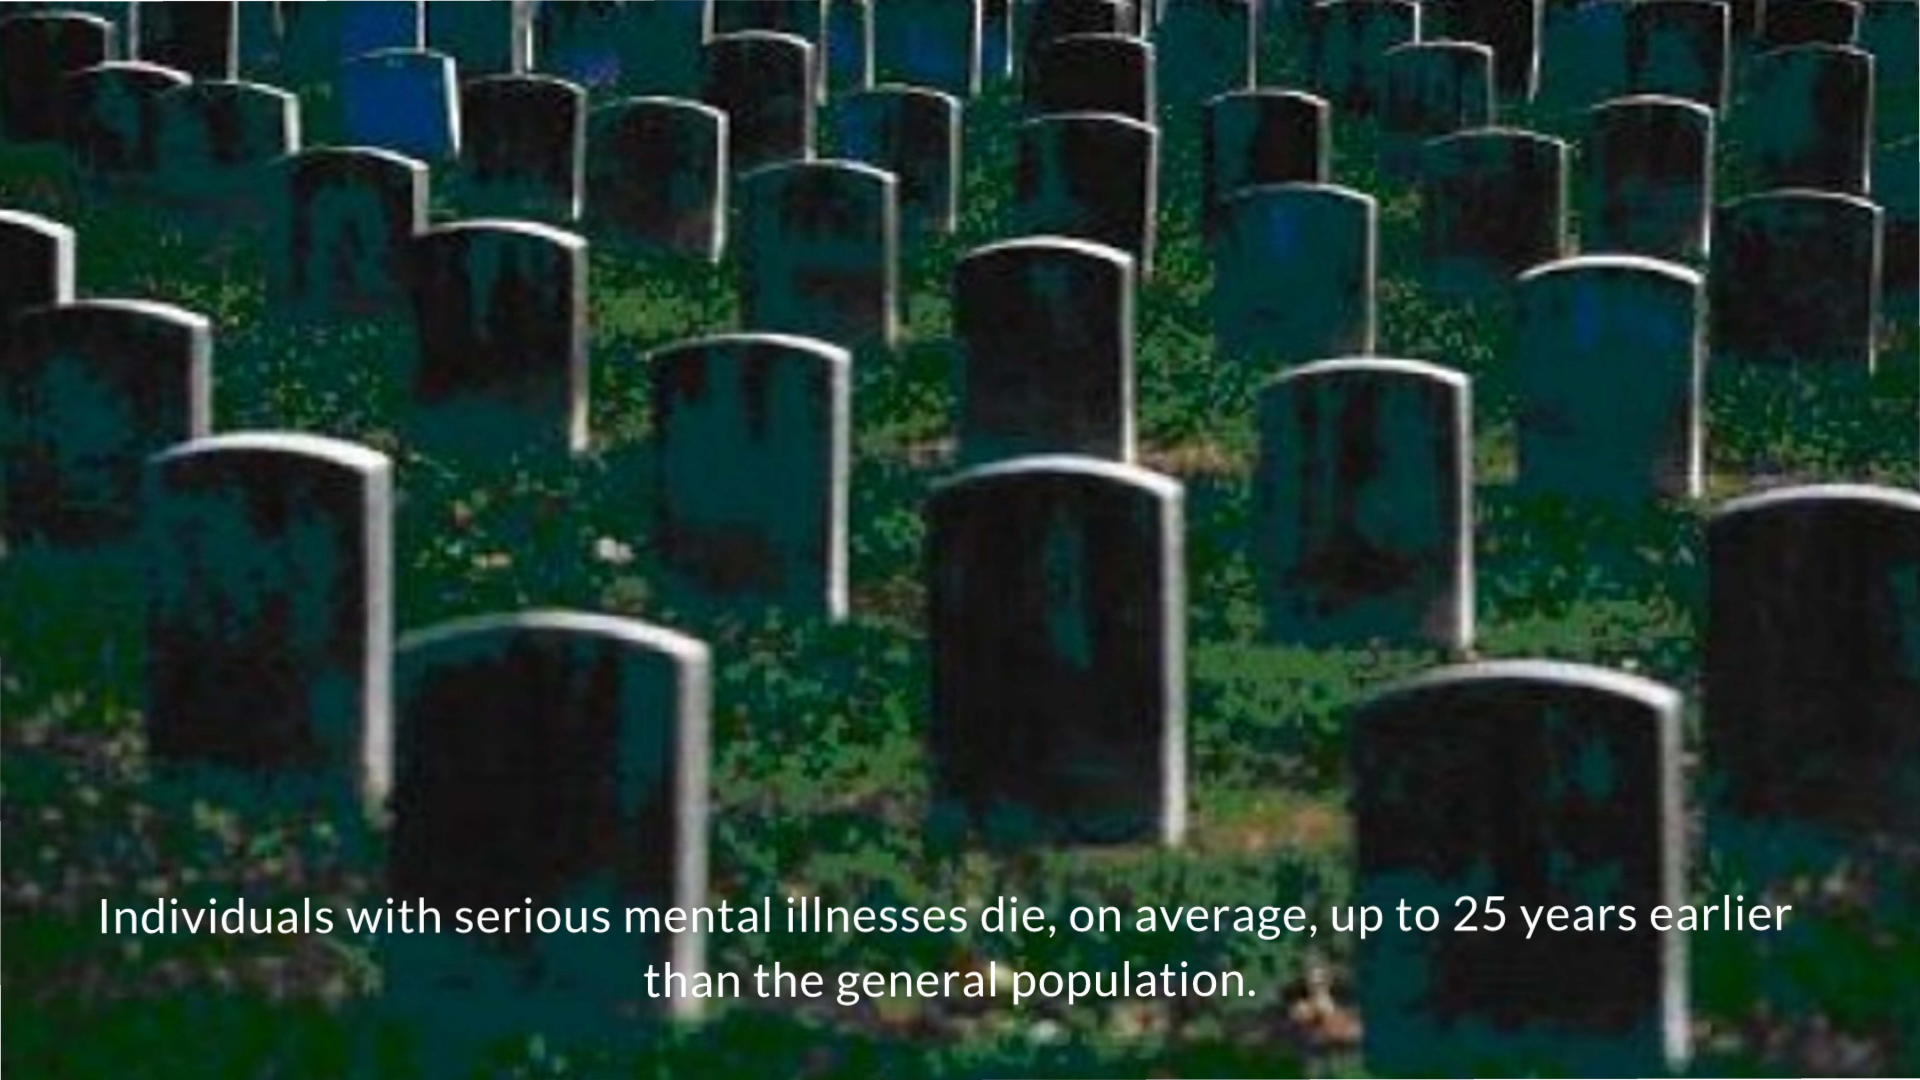

High

Low

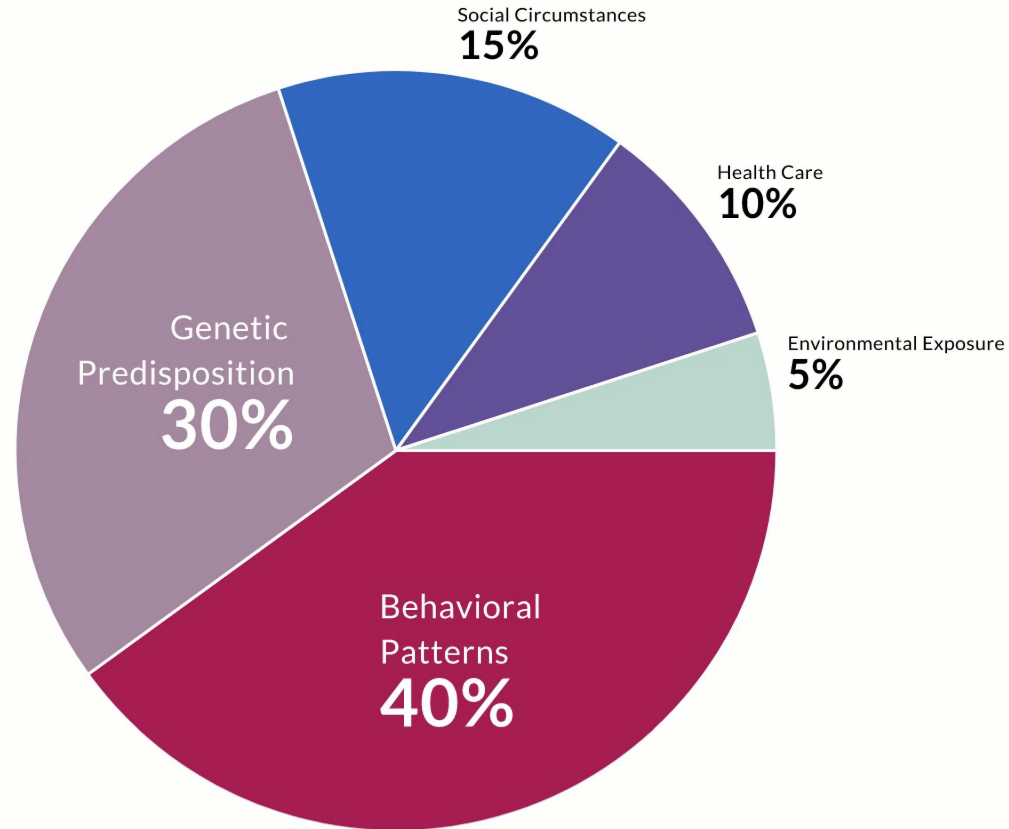

Individuals with serious mental illnesses die, on average, up to 25 years earlier than the general population.

DETERMINANTS OF HEALTH AND THEIR CONTRIBUTION TO PREMATURE DEATH

“The Fundamental Causes of Disease”

If risk factors are the precursors of disease, then the environmental and contextual factors that precede or shape these risk factors are **the causes of the causes**

THE CAUSAL CHAIN

Why is Jason in the hospital?

Because he has a bad infection in his leg.

But why does he have an infection?

He has a cut on his leg and it got infected.

But why does he have a cut on his leg?

He was playing in a junk yard next to his apartment building and fell on some sharp, jagged steel there.

But why was he playing in a junk yard?

His neighborhood is run down. Kids play there and there is no one to supervise them.

THE CAUSAL CHAIN, CONTINUED

But why does he live in that neighborhood?

His parents can't afford a nicer place to live.

But why can't his parents afford a nicer place to live?

His dad is unemployed and his mom is sick.

But why is his dad unemployed?

Because he doesn't have much education and he can't find a job.

But why?

STRUCTURAL RACISM

A SYSTEM IN WHICH PUBLIC POLICIES, INSTITUTIONAL PRACTICES, CULTURAL REPRESENTATIONS, AND OTHER NORMS WORK IN VARIOUS, OFTEN REINFORCING WAYS TO PERPETUATE RACIAL GROUP INEQUITY.

THIS SYSTEM IDENTIFIES DIMENSIONS
OF OUR HISTORY AND CULTURE
THAT HAVE ALLOWED **PRIVILEGES
ASSOCIATED WITH WHITENESS AND
DISADVANTAGES ASSOCIATED
WITH COLOR TO ENDURE
AND ADAPT OVER TIME**

STRUCTURAL RACISM IS **NOT**
SOMETHING THAT A FEW PEOPLE OR
INSTITUTIONS CHOOSE TO PRACTICE.
INSTEAD, IT HAS BEEN A FEATURE OF
THE SOCIAL, ECONOMIC, AND POLITICAL
SYSTEMS IN WHICH WE ALL EXIST

STRUCTURAL MECHANISMS **DO**
NOT REQUIRE THE ACTIONS
OR INTENTIONS OF OTHERS

**EVEN IF INTERPERSONAL DISCRIMINATION
WAS ELIMINATED TODAY,
RACIAL AND ETHNIC INEQUITIES WOULD REMAIN
DUE TO PERSISTENCE OF STRUCTURAL RACISM**

HOW STRUCTURAL RACISM IMPACTS HEALTH

“The War on Drugs”

Residential Segregation

Immigration Policy

Social Security Act of 1935

Mental Healthcare

IN 2018:

69%

of Black adults with any mental illness received no treatment

67%

of Latinx adults with any mental illness received no treatment

42%

of Black adults with Serious mental illness received no treatment

44%

of Latinx adults with serious mental illness received no treatment

89%  of Latinx adults with substance use disorders reported receiving no treatment

88%  of Black adults with substance use disorders reported receiving no treatment

**COST IS THE MOST COMMONLY CITED
REASON FOR NOT SEEKING CARE
TWICE AS OFTEN AS MINIMIZATION OF SYMPTOMS
AND NEARLY FIVE TIMES AS OFTEN AS STIGMA**

Inequality

Unequal access to opportunities

Equality?

Evenly distributed tools and assistance

Equity

Custom tools that identify and address inequality

Justice

Fixing the system to offer equal access to both tools and opportunities

THE TRAINED ABILITY TO DISCERN HOW A HOST OF ISSUES DEFINED AS SYMPTOMS, CLINICAL PROBLEMS, ATTITUDES, OR DISEASES (E.G., DEPRESSION, HYPERTENSION, OBESITY, SMOKING, MEDICATION “NON-COMPLIANCE,” TRAUMA, PSYCHOSIS) ARE INFLUENCED BY UPSTREAM SOCIAL DETERMINANTS OF HEALTH.

**PROMOTE SOCIAL
NORMS OF INCLUSION,
EQUITY, AND RESPECT**

**“WE CAN DISAGREE AND STILL LOVE EACH OTHER, UNLESS
YOUR DISAGREEMENT IS ROOTED IN MY OPPRESSION
AND DENIAL OF MY HUMANITY AND RIGHT TO EXIST.”**

-James Baldwin

PROMOTING SOCIAL NORMS OF INCLUSION, EQUITY, AND RESPECT

- 1 Enforce social norms of inclusion and equity
- 2 Educate or legislate to change social norms
- 3 Observe and challenge your implicit biases
- 4 Evaluate and break down unnecessary hierarchies

ADVOCATE FOR EQUITABLE PUBLIC POLICIES

“Medicine is a social science, and politics is nothing else but medicine on a large scale.”
-Rudolph Virchow

“ALL POLICIES ARE HEALTH POLICIES”

- 1 Take action beyond the walls of traditional office settings
- 2 Advocate for policies that address social determinants of mental health, prevention, and early interventions
- 3 Communicate with elected officials and promote equitable representation
- 4 Form cross-sector collaborations and community coalitions

**POLITICAL STANCES AND POLICY
INTERVENTIONS ARE REQUIRED.**

**TO REMAIN APOLITICAL, OR
NEUTRAL, IS A POLITICAL STANCE.**

IT IS A TACIT ACCEPTANCE OF THE STATUS QUO.

PROGRESS

Made through the passage of legislation, court rulings and other formal mechanisms that aim to promote racial equality

RETRENCHMENT

Refers to the ways in which progress is very often challenged, neutralized or undermined in key policy arenas

**“IF YOU SEE SOMETHING THAT IS NOT RIGHT,
NOT FAIR, NOT JUST, YOU HAVE A MORAL
OBLIGATION TO DO SOMETHING ABOUT IT.”**

**“WHEN WE SPEAK, WE ARE AFRAID OUR WORDS WILL
NOT BE HEARD NOR WELCOMED. BUT WHEN WE ARE
SILENT, WE ARE STILL AFRAID. SO IT IS BETTER TO SPEAK.**
