Award Early Psychosis Intervention Grants

Tom Orrock, Chief of Stakeholder Engagement and Grants

Agenda Item 2 August 27, 2020

The Challenge

- Duration of Untreated Psychosis
 - 18.5 months between symptom onset and treatment
- Numbers
 - 8,600 California youth and young adults develop psychosis each year
- Fragmented care
 - Limited access to gold standard care
 - Various insurance billing
 - Disconnect between education and MH care

The Opportunity

On October 2, 2017, the Governor signed Assembly Bill 1315 (Mullin, Chapter 414, 2017), establishing the Early Psychosis Intervention Plus (EPI Plus) Program

- Commission given responsibility to implement the program
- **\$19,452,000**

Commission Actions

- Established the EPI Plus Advisory Committee
- Held public meetings and a conference
- RFA outline approved-Feb. 2020
- Released the RFA-April 2020
- Recommending Grants-August 2020

The Approach

- Expand integrated recovery-based approach:
- Coordinated Specialty Care model
 - Primary Care/Medication
 - Case Management
 - Cognitive Behavioral Therapies
 - Family Education and Support
 - Supported Employment and Education
 - Peer Support

Grant Apportionment

- Programs to receive \$2 million each for a four-year term.
- Allowable costs include:
 - Personnel and/or peer support.
 - Program costs including services, technology, data collection, and facilities improvements as they relate to expanding services to reach full fidelity to the CSC model.
 - Administration.
 - All costs must be directly related to expanding the current early psychosis intervention program as outlined in the application.

RFA Evaluation

- Each RFA contained scoring tool and rubric for scoring
- Stage 1: Administrative Submission Review
 - Contribution of local funds
 - Experience operating an EPI program
 - County or city behavioral health department
- Stage 2: Application Scoring Mandatory requirements
 - Scored requirements
 - Budget Worksheet
- The applications with the highest overall scores are recommended for an award

Proposed Motion

For each of the grants, staff recommends the Commission:

Authorize the Executive Director to issue a "Notice of Intent to Award EPI Plus Grants to the five successful applicants.

Authorize the Executive Director to execute the contracts for the five successful applicants.

MHSA Innovation Proposal:

Social Enterprise Cafe for Filipino/a/x Youth

MHSOAC Meeting – August 27, 2020

Overview

- 1. INN General Requirements
- 2. Primary Problem
- 3. Proposed Innovation & Learning Goals
- 4. Budget Request

General Requirements

General Criteria:

• Introduces a new practice or approach to the overall mental health system by... implementing a culturally responsive social enterprise focused on community behavioral health needs of Filipino/a/x youth.

Primary Purpose:

Increases access to mental health services to underserved groups by...

providing culturally specific and holistic approach to engaging Filipino/a/x youth. The Social Enterprise Café will include a robust referral network that connects youth to systems of care, including behavioral health counseling.

Primary Problem

High rates of depression and suicidal ideation attributed to cultural identity formation amongst Filipino/a/x youth

- Behavioral Health and Social Determinants of Health (SDOH) -Disparities exist for Filipino/a/x youth
- Cultural Identity Cultural identification is critical for the mental health of Filipino/a/x youth as they explore the opposing values of two cultures
- Promising Practices There is a need for innovative sustainable practices that address the mental health needs of Filipino/a/x youth

Proposed Innovation

 Cultural arts and wellness-focused Social Enterprise Café that offers Filipino/a/x youth mental health programming on site.

Learning Goal #1

Does an integrated approach to a social enterprise that includes on-site programming improve mental health and outcomes for the Filipino/a/x youth engaged?

Learning Goal #2

Does a culturally affirming space increase access to behavioral health and services for Filipino/a/x youth?

Learning Goal #3

Can a holistic social enterprise model improve quality of life indicators for Filipino/a/x youth?

Budget Request

- Requesting \$2,625,000 for 5 years allocated out as follows
 - Year 1 is focused on start-up activities
 - Year 4 and 5 expect decrease in funding due to financial sustainability of the social enterprise model

Service Contract: \$2,400,000

- \$300,000 for FY 20/21
- \$700,000 for FY 21/22
- \$700,000 for FY 22/23
- \$400,000 for FY 23/24
- \$300,000 for FY 24/25

Evaluation: \$225,000

- \$55,000 for FY 20/21
- \$40,000 for FY 21/22
- \$40,000 for FY 22/23
- \$40,000 for FY 23/24
- \$50,000 For FY 24/25

Thank you!

Proposed Motion: The Commission approves San Mateo County's Innovation plan, as follows:

Name: Cultural Arts and Wellness Social Enterprise Café for Filipino/a/x Youth

Amount: Up to \$2,625,000 in MHSA Innovation funds

Project Length: Five (5) Years

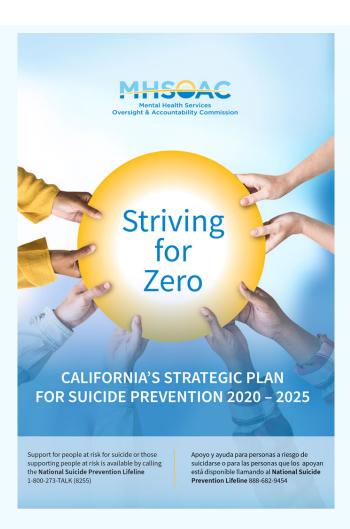

Mental Health Services
Oversight & Accountability Commission

Agenda Item #5: Suicide Prevention

MHSOAC Meeting on August 27, 2020 Ashley Mills, M.S. Research Supervisor

Background

- Plan adopted in November 2019
- ComprehensiveSuicide Prevention
 - Leadership
 - Data
 - Training and technical assistance
 - Policy

Strategic Aim 1: Establish suicide prevention infrastructure

- Goal 1: Enhance visible leadership and networked partnerships
- Goal 2: Increase development and coordination of suicide prevention resources
- Goal 3: Advance data monitoring and evaluation

<u>Strategic Aim 2</u>: Minimize risk for suicidal behavior by promoting safe environments, resiliency, and connectedness

- Goal 4: Create safe environments by reducing access to lethal means
- Goal 5: Empower people, families and communities to reach out for help when mental health and substance use disorder needs emerge
- Goal 6: Increase connectedness between people, family members, and community
- Goal 7: Increase the use of best practices for reporting of suicide and promote healthy use of social media and technology

<u>Strategic Aim 3</u>: Increase early identification of suicide risk and connection to services based on risk

- Goal 8: Increase detection and screening to connect people to services
- Goal 9: Deliver a continuum of crisis services within and across counties

<u>Strategic Aim 4</u>: Improve suicide-related services and supports

- Goal 10: Deliver best practices in care targeting suicide risk
- Goal 11: Ensure continuity of care and follow-up after suicide-related services
- Goal 12: Expand support services following a suicide loss

Strategic Aim 1 | Establish a Suicide Prevention Infrastructure

 Co-Sponsor Assembly Bill 2112 (Ramos) to authorize the establishment of an Office of Suicide Prevention within the Department of Public Health.

 Assemble a statewide suicide prevention coalition of private and public partners.

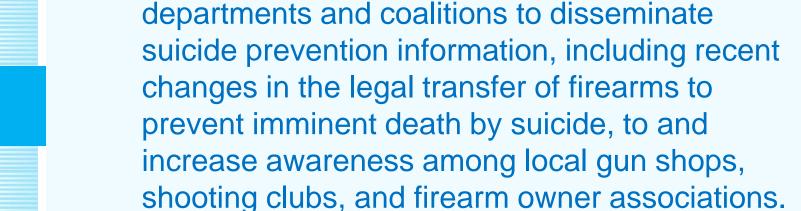

- Strategic Aim 1 | Establish a Suicide **Prevention Infrastructure**
 - Form **local learning collaboratives** to advance suicide prevention strategic planning and implementation, asset mapping, coalition building, and data collection and analysis.

by first responders and crisis service providers.

Strategic Aim 2 | Minimize Risk for Suicidal Behavior by Promoting Safe Environments, Resiliency, and Connectedness

Deliver technical assistance to local

Strategic Aim 3 | Increase Early
 Identification of Suicide Risk and
 Connection to Services based on Risk

- Create a standardized training on suicide risk
 screening and service triage based on risk for schools.
- Develop guidance for health, mental health, and substance use disorder providers to use electronic health records to include suicide risk assessments and make referrals for services more routine.

Strategic Aim 4 | Improve Suicide-related Services and Supports

- Create a sustainability and scalability strategy to expand lethal means restriction counseling and safety planning before discharge from health care or crisis services settings.
- Create a sustainability and scalability strategy to expand follow-up after an attempt by regional crisis service providers.

Next Step

If the proposed motion is adopted today, staff will bring back to the Commission for approval outlines for contracts to implement action items

Proposed Motion

The Commission approves the proposed action items to begin the implementation of Striving for Zero: California's Strategic Plan for Suicide Prevention, 2020-2025; and directs staff to bring back to the Commission for approval outlines for contracts in an amount not to exceed \$2 million to implement these action items.
