

## **Immigrant/Refugee Community Listening Sessions**

The purpose of this listening session is to learn about the mental health needs and available services and supports for Immigrant/Refugee populations. This meeting is part of a broader effort by the Commission to support stakeholder advocacy on behalf of Immigrant/Refugee populations in California.

1. Barriers/challenges to seeking mental health services/supports.
2. Barriers/challenges to receiving mental health services/supports.
3. Areas of need that could be addressed through training and education.
4. Areas of need that could be addressed through outreach/engagement activities.
5. Areas of need that could be addressed through advocacy/policy/legislative efforts.
