# The California Reducing Disparities Project

# The Innovative CA Reducing Disparities Project

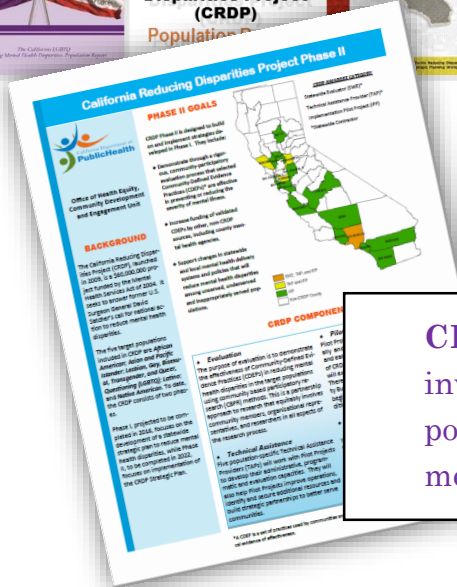

\* In process, specific details subject to change

Population Reports offer snapshot of disparities and recommendations on how to address them. The Strategic Plan provides a roadmap, and CRDP Phase II provides funding to support recommendations.

### CRDP Phase I Population Reports

### CRDP Strategic Plan

**CRDP Phase II: \$60M**  
investment in priority  
populations to reduce  
mental health disparities

# CRDP Phase II

- Prop. 63-funded \$60m initiative to identify promising practices and systems change recommendations to address persistent disparities in historically underserved populations.
- Priority Populations:
  - African American; Asian and Pacific Islander; Latino; Lesbian, Gay, Bisexual, Transgender, Queer, and Questioning; and Native American communities
- In total, over 42 contractors and grantees will be funded over six years to implement Phase II of the CRDP.

# CRDP Guiding Principles

- Do Business Differently
- Build Community Capacity
- Fairness
- Systems Change

## Impact – CRDP Funded Grantees

# CDPH California Reducing Disparities Project Phase II Organizational Chart

Statewide Evaluator: Psychology Applied Research Center @ Loyola Marymount University

SWE

TA Providers (TAP)

Implementation Pilot Projects (IPPs)

African American

Asian and Pacific Islander

Latino

LGBTQ

Native American

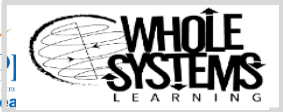

ONTRACK Program Resources

Special Service for Groups (SSG)

UCD Center for Reducing Health Disparities

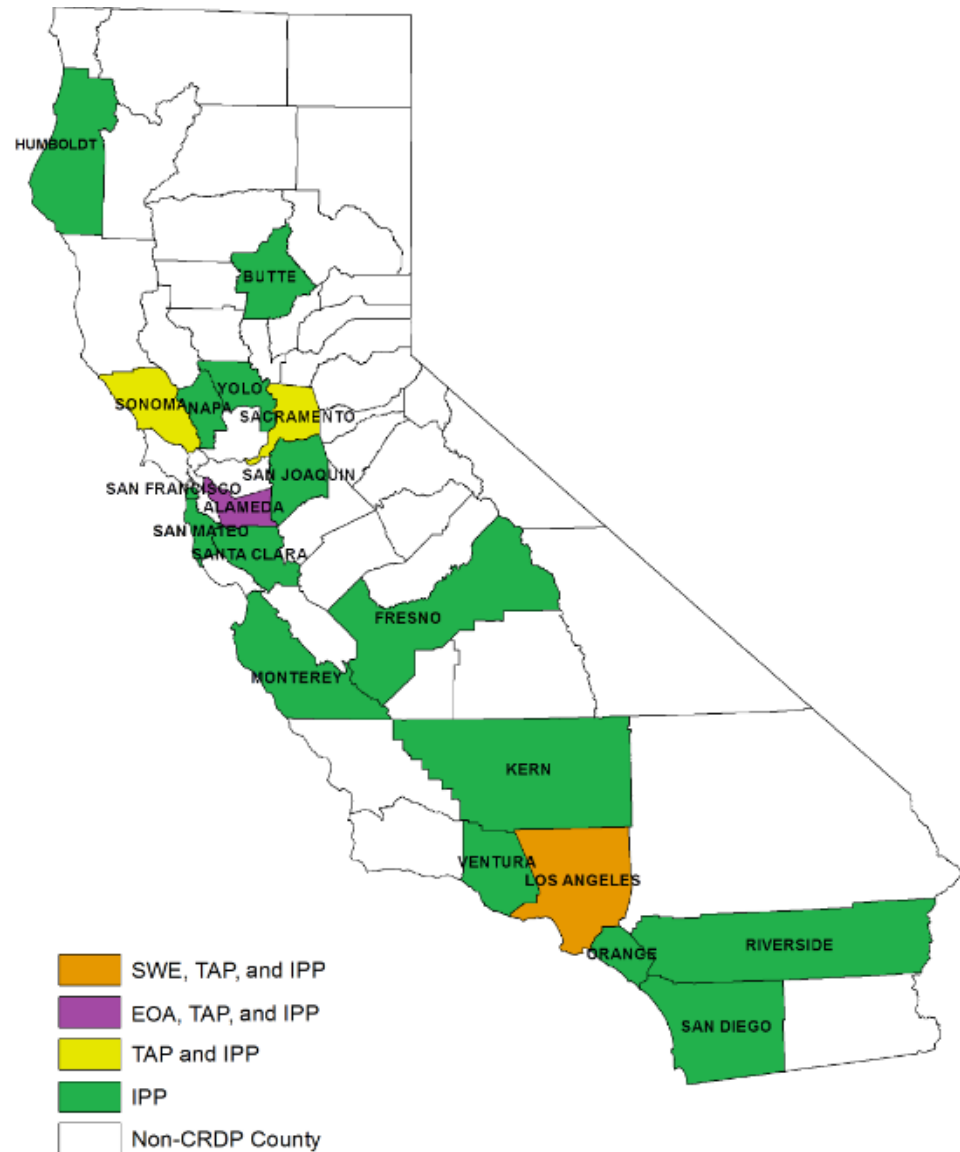

Center for Applied Research Solutions (CARS)

Pacific Institute for Research and Evaluation (PIRE)

# CRDP Foundational Components

- Statewide Evaluator
- Technical Assistance Providers
- Pilot Projects
  - Capacity Building
  - Implementation
- Education, Outreach and Awareness

# CRDP Statewide Evaluation

## Overall Evaluation

Evaluates CRDP Phase 2 as a whole

- Evaluates the success of each component, including Pilot Projects, Technical Assistance and State and Local Education, Outreach & Awareness Contractors
- Develops a business case for the CRDP model

## CDEP Evaluations

Evaluates the effectiveness and viability of CDEPs

- Provides programmatic (non-clinical) evaluation of the success of Pilot Projects in reducing severity of targeted mental health conditions
- Evaluates status and potential for acceptance and funding as evidence based
- Identifies best practices and develops a model framework for future CDEP evaluations

## Support CDPH

Provide guidance and communicate evaluation results

- Develops guidelines for Pilot Project evaluations to ensure necessary consistency of data and credible results, while allowing Pilot Projects to develop an appropriate community participatory evaluation model
- Provides recommendation to CDPH on the Pilot Project evaluation plans and results
- Organizes final convening and presents at stakeholder briefings and other meetings

# CRDP Phase 2 Evaluation Timeline

- August-December 2017: Local evaluation plans reviewed by OHE and CHHSA's designated IRB (OSHDPD-CPHS).
- January 2018: Following IRB approval, IPPs begin collecting local evaluation data on a rolling basis.
- May 2018: Following SWE IRB approval, IPPs begin collecting/reporting SWE data on rolling basis.
- September 14<sup>th</sup>, 2020: CRDP data collection ends.
- February 28<sup>th</sup>, 2021: Local evaluation reports due to CDPH.
- July 31<sup>st</sup>, 2021: SWE Final Report due to CDPH and CHHSA for review/approval.
- April 2022: CRDP Phase 2 Final Convening.

# General Questions & Ways to Partner

- General questions for OHE
- Discussion Questions:
  - How can we leverage efforts to create broader impact?
  - How can your committee support the work of the CRDP?
  - How can the CRDP be helpful with this committee's charter?

# Thank You!
