

The Commission approved the MHSSA Phase IV funding focus as follows:

- 1) \$5 million (Ten grants for \$500,000) to provide support and services to foster, juvenile justice involved, marginalized, or vulnerable youth.**
- 2) \$8 million (Ten grants for \$800,000) to support a learning cohort of MHSSA grant partners to develop a plan to implement equitable and universal mental health screening in schools.**
- 3) \$9 million (Twenty grants for \$450,000) to support continuous quality improvement and long-term sustainability of school-county partnerships funded by MHSSA.**
- 4) \$3 million (Ten grants for \$300,000) to support other priorities as defined by applicants to address the unique needs of their partnership which do not fit the other categories.**
