

# Workplace Optimization Advisory Committee

## PURPOSE AND GOALS

The Advisory Committee supports the Commission by advising the Commission on human resources matters, including oversight of the Executive Director's performance, staff culture, and overall organizational effectiveness. The Committee serves as a resource to the Commission in fulfilling its responsibilities related to human capital management while ensuring compliance with applicable laws, regulations, and the Bagley-Keene Open Meeting Act.

# Motion

That the Commission adopt the Workforce Optimization Committee charter and create the Workforce Optimization Committee.
