Subject: Urgent: Public Comment Access Issue – October 23 MHSOAC Meeting

CAUTION: This is an external email. Do not click links or attachments unless you recognize the sender and know the content is safe.

Good morning, Ms. Martinez,

I have been attempting to join the MHSOAC meeting since 9:00 a.m. this morning and have not been admitted as of 9:30 a.m., despite the agenda listing public comment at 9:15 a.m.

For transparency and administrative recordkeeping, I am attaching screenshots documenting attempted access at 9:15, and 9:30 a.m.

Please confirm that public access is active and that my attendance and intent to provide public comment are recorded.

If the link remains closed, I request that this email and the attached record be entered as my formal public comment for today's meeting.

It is concerning that a public oversight session on innovation and children's mental-health equity is delayed without clear communication. Timely access is essential to ensuring accountability for the very families and systems this Commission is charged to protect.

Respectfully,

Dr. Esrouleh T. Mohammad, Ph.D.
