Dear Commissioners and Commission staff,

I am writing to clarify the nature of the public comments that I provided to you earlier today, which reflected only my own personal views and opinions despite having been sent to you via my work email. My comments were in no way a reflection of CAPH, my employer, and CAPH had no knowledge of my submission of comments. Sending this to you via my work email was a serious error in judgment on my part.

Sincerely,

Andrea Margolis
