Our Commitment to Excellence

The Commission's 2020-2023 Strategic Plan articulates three strategic goals:

Advance a shared vision for reducing the consequences of mental health needs and improving wellbeing.

Advance data and analysis that will better describe desired outcomes; how resources and programs are attempting to improve those outcomes.

Catalyze improvement in state policy and community practice for continuous improvement and transformational change.

Anti-Bullying Advisory Committee Objectives

The Commission’s Anti-Bullying Advisory Committee’s advisory group shall develop a social media program to support children and youth who have faced bullying, or who are at risk of bullying, based on race, ethnicity, language, or country of origin, or perceived race, ethnicity, or county of origin, through the delivery of trusted content from licensed therapists, counselors, or others to support healthy discussion of difficult topics that young people may not feel comfortable discussing with teachers or parents, and ways to support youth to connect with mental health staff, peer providers, or others to reduce risks associated with bullying and improve youth resiliency when experiencing bullying.

In support of these objectives, the Commission shall have \$5,000,000 until June 30, 2023, to support a peer social media network project for children and youth, with an emphasis on students in kindergarten and grades 1 to 12 who have experienced bullying, or who are at risk of bullying, based on race, ethnicity, language, or country of origin, or perceived race, ethnicity, or county of origin.
