

Well and Thriving

Advancing Prevention and Early Intervention

Public Review of the Draft Report and Implementation Plan

Prevention and Early Intervention Subcommittee

January 17, 2022

Virtual Public Meeting

MHSOAC

Mental Health Services
Oversight & Accountability Commission

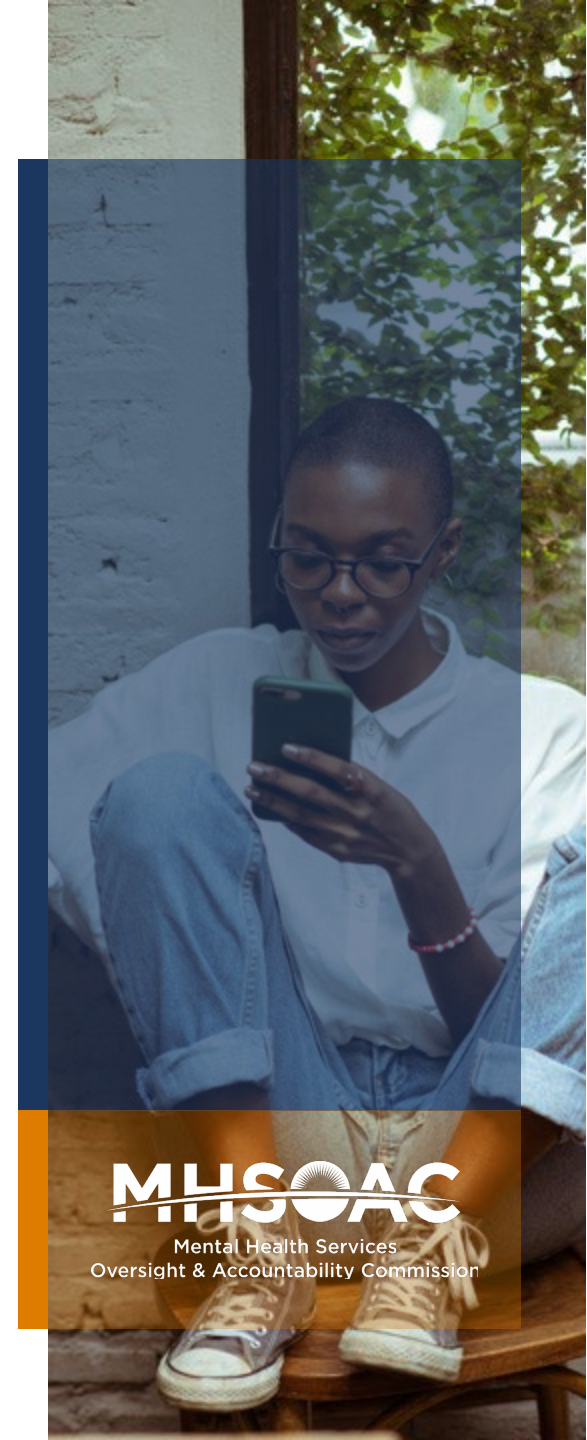

Report Overview

Introduction

- Background
- Process

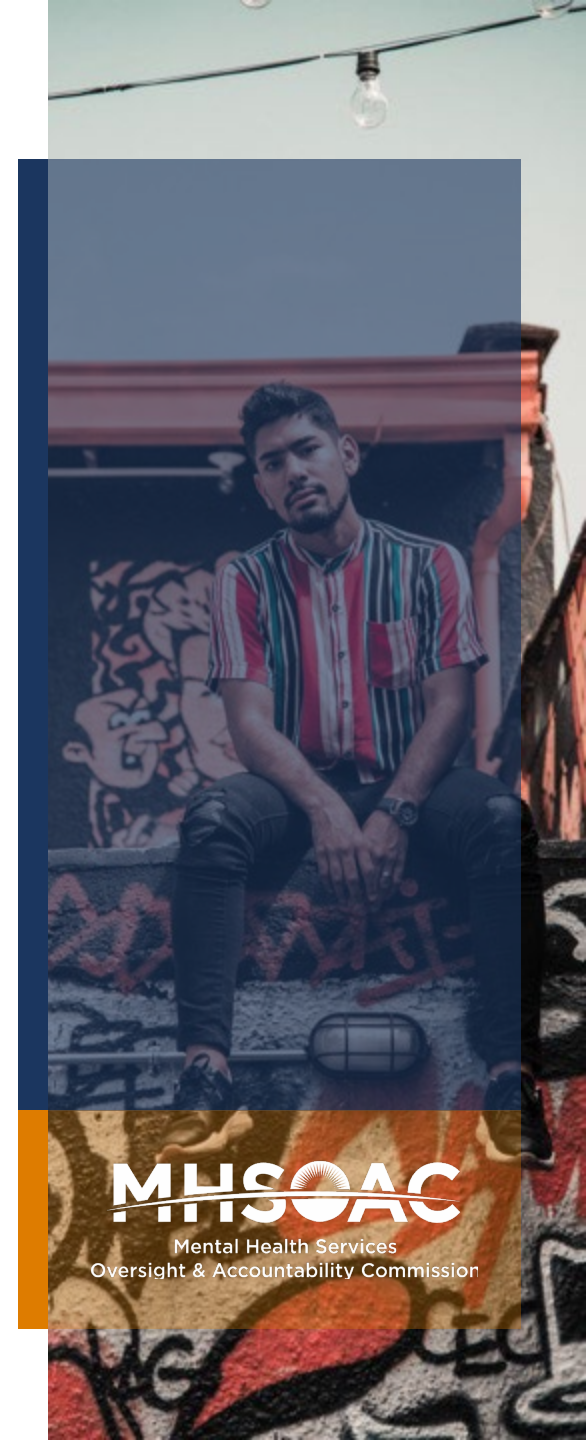

Findings and Recommendations

- Challenges and barriers
- Opportunities
- Action

Recommendations

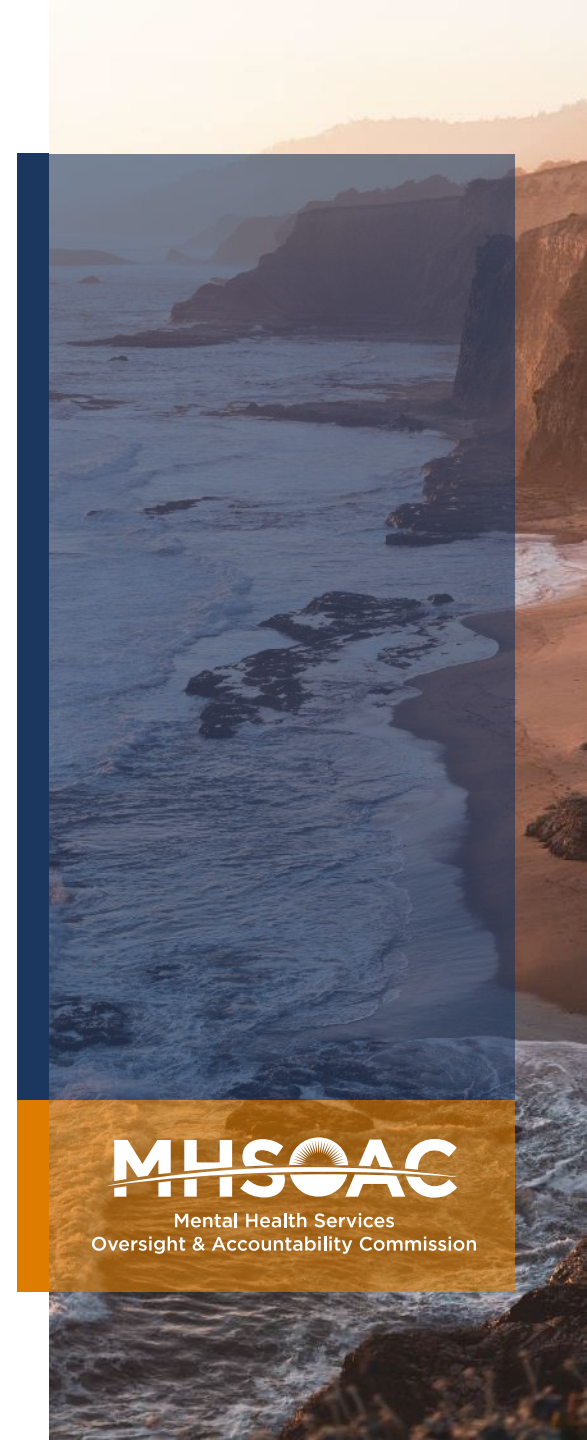

1. Establish leadership and a strategic plan for statewide prevention and early intervention initiatives.
2. Reduce risk and enhance resiliency, with particular attention on trauma, basic needs, and bolstering the role of environments, cultures, and caregivers.
3. Promote awareness and combat stigma by ensuring all people have access to mental health information and resources.
4. Ensure access to screening and care that respects and responds to diverse needs.

Revisions Based on Public Feedback

- Highlight opportunities across the lifespan
- Focus on reducing disparities
- Elevate the role of culture

Implementation...

Oversight & Accountability Commission

Implementation Plan

Commission action steps for prevention and early intervention:

- Support designation of a state-level leadership
- Form and strengthen strategic partnerships
- Increase awareness and promote equity
- Support implementation of best practices
- Develop metrics and monitor progress
