	RFQ Section Reference	Question	Commission Response
1	Section 3.A. Minimum Qualifications	I wanted to confirm that as part of our confirmation that we meet the minimum requirements, we would be allowed to submit video content showing our events in action? This would be approx. a 3 min video summary. I just want to confirm this as an option in addition to providing a written overview?	This will be allowed. See Addendum 1, Section 3.A. Minimum Qualifications.
