This amount should include direct administrative costs and an appropriate allocation of indirect costs. Direct administrative costs are administrative costs that only benefit CSS programs or services. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the CSS Account. The share of costs attributed to the CSS Account should be in proportion to the extent the CSS programs or services benefit from the support activity. Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of CSS programs or services. To avoid double-counting, do not include costs incurred as both Administration Costs and either Annual Planning Costs, Evaluation Costs or

Administration. This amount should include direct administrative costs and an appropriate allocation of indirect costs. Direct administrative costs are administrative costs that only benefit PEI programs or services. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the PEI Account. The share of costs attributed to the PEI Account should be in proportion to the extent the PEI programs or services benefit from the support activity.

Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of PEI programs or services. To avoid double-counting, do not

Annual Planning.

Row 1, Column E: Enter the amount of Other funds expended for INN Annual Planning. Other funds include funding from sources not otherwise identified such as from local General Fund or other local sources, or from sources such as Federal grants or other grants.

Row 1, Column F: No entry. This amount is the sum of Row 1, Columns A-E.

Indirect Administration costs. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the INN Account. The share of costs attributed to the INN Account should be in proportion to the extent the INN projects or services benefit from the support activity.

Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of INN projects or services. To avoid double-counting, do not include costs incurred as both INN Indirect Administration Costs and either INN Project Administration.

Administration. This amount should include direct administrative costs and an appropriate allocation of indirect costs. Direct administrative costs are administrative costs that only benefit CFTN projects. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the CFTN Account. The share of costs attributed to the CFTN Account should be in proportion to the extent the CFTN project benefit from the support activity. Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of CFTN projects. 2	34		Expenditure	2022-23	\$140,641.00	This line is for FY22-23 HP Expenditure: FY 22-23 CSS ARER reported total CSS Expenditures (excluding Funds Transfer to JPA, PEI, WET, CFTN, and PR) amount \$104,982,880.10; however, \$140,641 should be HP balance transfer to SHRA instead of CSS expenditures.
3	34	PEI	Expenditure	2011-12	-\$4,500,000.00	This line item is related to PR adj section 2 below. Per DHCS, the county should submit adjustment to to reverse the disallowed transfer reported originally on the 2011-12 RER. On the 2011-12 RER, county reported 4,500,000 transfer from PEI to PR (using 2009-10 funds source). However, due to DHCS reversion rules, DHCS recognized the PEI to PR transfer as 2011-12. Additionally, 2011-12 did not allow PEI to PR transfers and disallowed by DHCS. So county is backing out 4,500,000 from PR revenue. And backing out the PEI transfer to PR. This adjustment will align with DHCS reversion records.
