

Annual Mental Health Services Act Revenue and Expenditure Report
Fiscal Year 2016-17
ARER Instructions

ARER Instructions

- For detailed instructions, see Enclosure 2: Instruction Manual for Fiscal Year 2016-17 of the MHSA Annual Revenue and Expenditure Report.
- These worksheets are used to report the total expenditures for each MHSA-funded program. Expenditures should be recognized in the period that the fund liability is incurred. (Accounting Standards and Procedures for Counties, State Controller’s Office (SCO), May 2014).
- Counties must report any expenditure that occurred between July 1, 2016 and June 30, 2017, on the appropriate component worksheet.
- Counties should reflect total (gross) program expenditures for each MHSA program on the MHSA Component Expenditure Worksheets.

Step 1: Complete the Information worksheet	The information provided on the Information worksheet automatically links to worksheets in the ARER. This worksheet eliminates the redundant entry of county name, code, and date on worksheets.
Step 2: Complete section one and two of the Component Summary worksheet	Section one provides the total amount of unspent funds available from prior fiscal years. These amounts should match the amount of unspent funds previously reported in the FY 2015-16 ARER, Unspent MHSA Funds in the Local Mental Health Service (MHS) Fund (Section 6).
	Section two provides the total amount of revenue received and deposited into the local MHS Fund from July 1, 2016 through June 30, 2017.
	Skip section three through seven of the Component Summary worksheet. These sections are linked to the remaining component worksheets and will auto populate as the county completes each individual worksheet.
Step 3: Complete each component and adjustment worksheet	In general, counties will enter expenditure data in the blue boxes throughout the workbook. Cells shaded gray will require no data entry because it is an excel formula or data is not relevant for that particular cell.
Step 4: Review the Component Summary worksheet	Counties should verify that sections three through seven of the Component Summary worksheet accurately reflect the expenditures reported on the component and adjustment worksheets.

Annual Mental Health Services Act Revenue and Expenditure Report
