This amount should include direct administrative costs and an appropriate allocation of indirect costs. Direct administrative costs are administrative costs that only benefit CSS programs or services. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the CSS Account. The share of costs attributed to the CSS Account should be in proportion to the extent the CSS programs or services benefit from the support activity. Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of CSS programs or services. To avoid double-counting, do not include costs incurred as both Administration Costs and either Annual Planning Costs, Evaluation Costs or
