

**Mental Health Student Services Act (MHSSA)
Technical Coaching Assistance Grant**

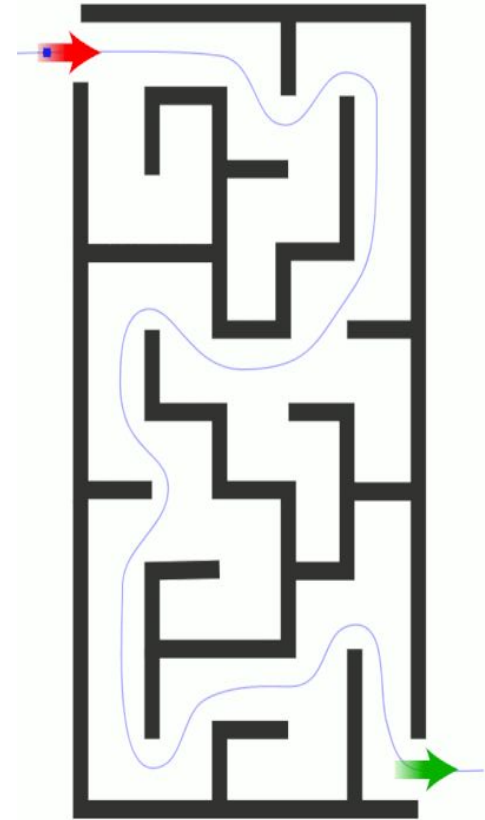

Purpose and Goals

The purpose of the Technical Coaching Assistance Grant is to establish a **Technical Coaching Team (TCT or Coaching)** to assist MHSSA grantees statewide.

Technical Coaching will be provided in **four distinct subject areas**, by three different MHSSA grantee counties. These four subject areas were identified by the MHSOAC (Commission) as creating barriers to success for MHSSA programs.

The four subject areas and county grantees are:

- **Data Collection** - Tehama County Department of Education (TCDE)
- **Partnership Development** - Imperial County Office of Education (ICOE)
- **Program Implementation** - Placer County Office of Education (PCOE)
- **Sustainability** - Imperial County Office of Education (ICOE)

Purpose and Goals

The **immediate goal** of the Technical Assistance Coaching Grant is to provide technical assistance to all MHSSA grantees on a statewide basis.

This will be accomplished in two ways:

1. Technical assistance support and direct consultation to other MHSSA grantees; and
2. Support of a web-based information hub to be developed by a third-party Statewide Coordinator.

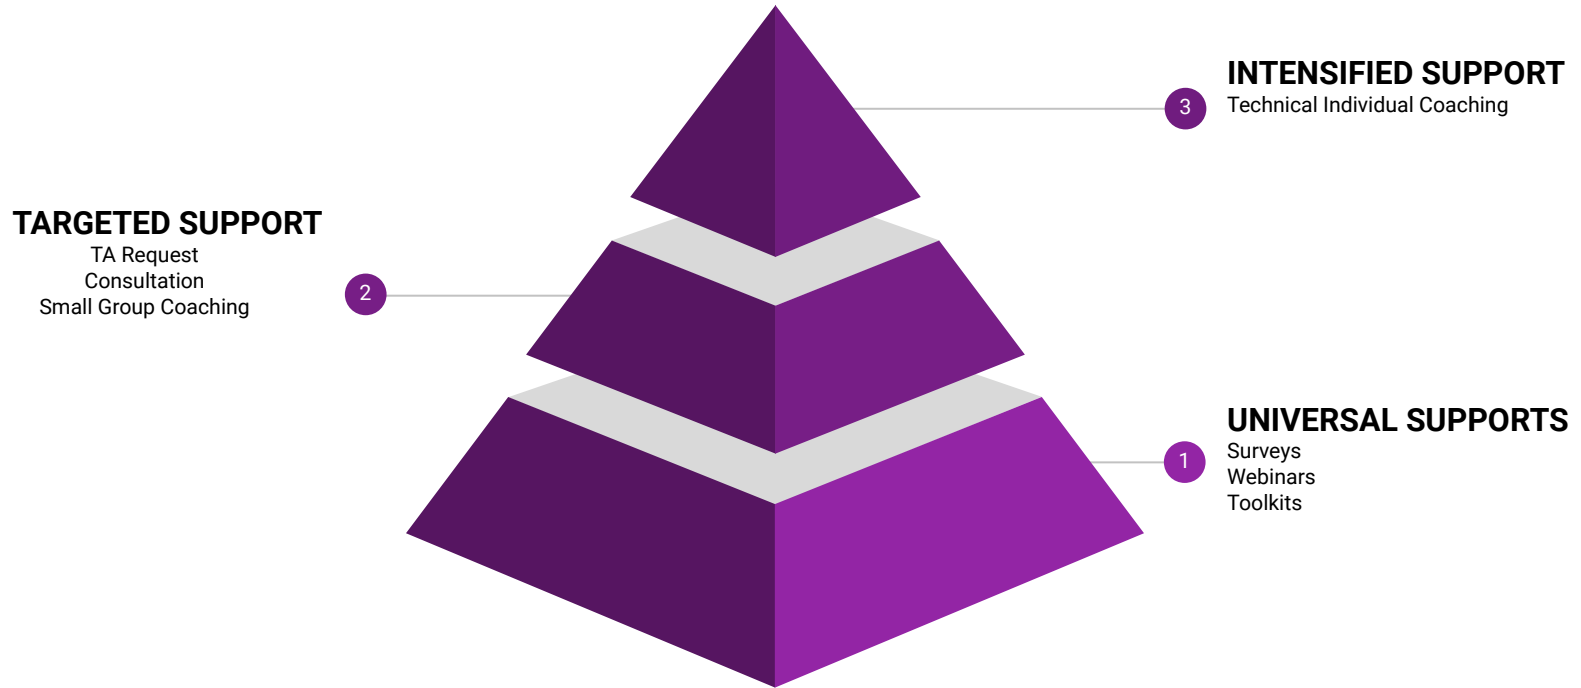

MHSSA grantees requesting technical coaching will be connected to a **Technical Coaching Team member or lead** who will work together with a **Statewide Coordinator** to develop a range of strategies to **build the capacity** for excellent student mental health programs throughout the state.

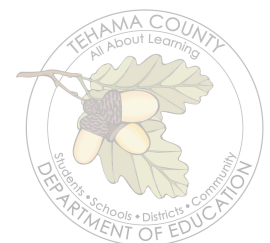

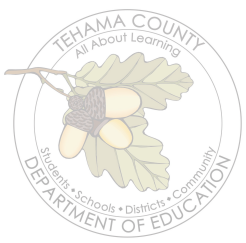

The long-range goal is to sustain the county partnerships that were formed for the purpose of MHSSA grant funding, and to support the **ongoing delivery** of behavioral and mental health services for children and youth at **readily accessible sites**.

DELIVERY MODEL

Data Collection

Tehama County Department of Education

JoNell Wallace

Mental Health & Wellness
Coordinator

Sara Smith

Assistant Superintendent

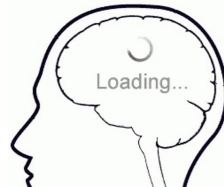

Logan Smith

Project Consultant

Data Collection

Technical Assistance topics; including, but not limited to:

- Strengthen data collection and reporting efforts

PLACER COUNTY OFFICE OF EDUCATION

Sustainability

Technical Assistance topics; including, but not limited to:

- Alignment of different funding streams, and blending and braiding of funding sources
- How local partnerships encourage sustainability efforts
- Local Educational Agency (LEA) Medi-Cal Billing Option Program (BOP)
- Partnering with private insurance companies
- Student Behavioral Health Incentive Program (SBHIP)

Miriam Belopolsky, ICOE
M.A. PPS, School Counseling

Statewide Coordinator

The goal for the Statewide Coordinator is to collectively develop a range of strategies to build the capacity for comprehensive student mental health systems.

The Statewide Coordinator will:

- Act as project lead and subject matter expert for statewide technical assistance for Mental Health Student Services Act grantees working in collaboration with the Technical Coaching Teams and the Commission.
- Establish statewide and/or regional technical assistance learning collaboratives for interested grantees.
- Develop and maintain a centralized webpage to receive and share information and resources with TCTs and MHSSA grantees.

A Request For Application for a Technical Assistance Statewide Coordinator will be released this month.

What does support look like? [Tell us!](#)

MHSSA Technical Assistance Requests

- **Platform for submitting TA requests**
 - Transitioning away from using the Monthly Check-In Reports
- **Submit *one* TA request form based on the subject area of identified need:**
 - Data Collection
 - Partnership Development
 - Program Implementation
 - Sustainability
- **The Technical Coaching Team member or lead will contact the MHSSA grantee directly based on the subject area requested. The TCT Leads are:**
 - JoNell Wallace & Logan Smith - Data Collection
 - Denise Cabanilla - Partnership Development
 - Allison (Ali) Murphy - Program Implementation
 - Miriam Belopolsky (Bell) - Sustainability

Additional resources and information will be provided in the coming months - stay tuned!

We look forward to working with you!
