Row 3, Column A: Enter the amount of MHPA funds, including interest, expended for CSS Administration.

This amount should include direct administrative costs and an appropriate allocation of indirect costs.

Direct administrative costs are administrative costs that only benefit CSS programs or services. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHPA component. Counties must use an appropriate allocation method to allocate indirect costs to the CSS Account. The share of costs attributed to the CSS Account should be in proportion to the extent the CSS programs or services benefit from the support activity. Counties must maintain proper documentation of the allocation methodology used to allocate indirect costs to administration of CSS programs or services. To avoid double-counting, do not include

Row 3, Column A: Enter the amount of MHSA funds, including interest, expended for PEI Administration. This amount should include direct administrative costs and an appropriate allocation of indirect costs. Direct administrative costs are administrative costs that only benefit PEI programs or services. Indirect administrative costs are those administrative costs that are incurred for a common or joint purpose and cannot be readily identified as benefiting only one MHSA component. Counties must use an appropriate allocation method to allocate indirect costs to the PEI Account. The share of costs attributed to the PEI Account should be in proportion to the extent the PEI programs or services benefit from the support activity.

Counties must maintain proper documentation of the allocation methodology used to allocate

#	A Account	B Fiscal Year	C Comments
1	PEI	2020/2021	There are name changes on sheet 4 (PEI) as some of the programs were aggregated in past ARER's and budgets and this did not allow a breakdown of the Prevention or Early Intervention portions, nor did it allow breakdowns for the 25 and under age group. "Older Adults, Latino, & Native American O&E" has been broken out into three programs: 1) Older Adult Wellness Program; 2) Promotores de Salud; and 3) Native American Outreach and Engagement. "Early Childhood Project" has been broken out into three programs: 1) Nurturing Parenting Education; 2) Supporting Early Education and Development; and 3) Early Childhood Education Family Support Aides.
2	PEI	2020/2021	The "Outreach for Increasing Recognition of Early Signs of Mental Illness Program" is included in the Suicide Prevention & Stigma Reduction Program.
3	PEI	2020/2021	The "School Based Violence Prevention" program name has been changed to "School Based Resiliency Services" per name changes made by the PEI contractor
4	PEI	2020/2021	What was previously noted in past documents as "Jamestown Family Resource Center" or "Fostering Activities in Non-Traditional Settings" is now "Trauma informed Schools" as it is more descriptive of the program and provides consistency throughout the various MHSA documents.

5	PEI	2020/2021	Our Percent Expended for Clients Age 25 and Under reflects 52% based on the calculation in the worksheet. However this calculation includes administrative costs. Since administrative costs are allocated based on a percentage of direct costs it seems like it should not be included in the calculation. The administrative costs support the direct work towards providing services to both those under 25 and over, however the calculation only treats it as benefitting those older than 25. At this point omitting administrative costs puts us at 73.74% expended for Clients Age 25 and Under
