

WHAT IS A SCHOOL-BASED HEALTH CENTER?

A student-focused health center or clinic:

- Located **on or near** a K-12 school campus
- Organized through school, community, and health provider **relationships**
- That provides age-appropriate, **clinical** health care services

SBHCs **may provide** primary medical care, behavioral health services, **or** dental care onsite or through mobile or telehealth

SBHC or “Wellness Center”?

Wellness Centers

Calming Rooms

Welcoming, safe drop-in spaces without any clinical services, staffed by some caring adult

Mental Health only

Calming rooms plus some on-site clinical behavioral health services, provided by school-employed staff and/or co-located CBOs

Mental Health+

Centers with mostly clinical behavioral health plus some other services, like a school nurse and/or sexual/repro health

Comprehensive

Clinics with full-scope of health services, including physical medical care, behavioral health, and oral health

School-based health centers!
