10:05:30 From Jason Robison to Everyone:

what determines or quantifies "at risk of institutionalization"?

10:11:18 From Kendra Zoller to Everyone:

Hi Jason - Please see DHCS BHSA Policy Manual here which has more information: 2. Behavioral Health Transformation ; it says the following "At-risk populations should be identified by counties based on local need and local planning processes, except for the criteria for at-risk of homelessness which can be found in the Housing Interventions chapter and below." and "The DHCS ECM Guide defines institutionalization as “broad and means any type of inpatient, Skilled Nursing Facility, long-term, or emergency department setting.” - Hope this helps

10:12:11 From Jason Robison to Everyone:

Replying to "Hi Jason - Please see DHCS BHSA Policy Manual her...":

Hi Kendra - Thanks!

10:31:20 From Mayra E Alvarez (she/her/ella) to Everyone:

Fair point, Commissioner Tsai!

10:33:49 From Jason Robison to Everyone:

Agreed re BHSA. I'm clarifying that the RFA process for IPF could elevate community-based organizations, family and peer-run programs through emphasizing the need for services to be delivered in the communities where people live by the people of those communities.

10:46:12 From Sandra Gallardo to Everyone:

There is a typo it is WIC 5845.1

10:46:35 From Sandra Gallardo to Everyone:
